# How to make the most out of this e-book

Hi!

My name is Laura. I have been a business strategist and a freelancing coach for over 11 years. I wrote this e-book to help my clients in their freelancing journey to get work from home remote jobs as easy as possible.

Here's what you need to do in order to make the best out of this e-book.

- **STEP 1:** Decide what type of freelance job is best for you. This e-book is divided in chapters so you can navigate it easily.
- **STEP 2:** Create a profile on at least 2-3 websites (either specialized or general) to increase your chances of success.
- **STEP 3:** apply regularly, to at least 50-100 jobs in order to maximize your chances of success.
- **STEP 4:** Take your growth to the next level and build this into a full time online business.

This e-book alone is a fantastic resource to get your started in your freelancing journey.

# WANT MORE?

Most people major in minor things. Knowing how to monetize your skills is a major in my opinion. If you are looking for faster results and get personalized guidance consider joining one of my programs to get support from me and my team.
